___ Silver Sponsor \$500

Silver sponsorships include recognition in all promotions before and during tournament, including signage in location appropriate for sponsorship. Options include lunch sponsor, flight sponsor, beverage cart, hors d'oeuvres sponsor.

___ Bronze/Tee Sponsor \$100 + product and activity at tee

Each tee sponsor should provide food, beverage and/or an activity during the tournament. Please visit with a committee member or Chamber staff for ideas. Have fun with an Americana theme or highlight something from the history of your business, as we celebrate America's 250th birthday this year.

___ Door Prizes

At the end of the tournament, participants enjoy food and beverages on the patio, plus door prizes. As each prize is given away, the donor of the item(s) is announced to all attendees. Door prizes should be a minimum value of \$10 and may be grouped with other items, if needed.

___ Goody Bag Items*

We are looking for Goody Bag items (approximate quantity 80). This is a great way to make a positive contribution to the tournament experience while promoting your business.

*Can koozies are not recommended, due to the large number already in inventory from past tournaments. We would be happy to suggest items that would go over well with participants!
